THE MOST CERTAIN AND SPEEDY
REMEDY EVER DISCOVERED FOR
ALL DISORDERS OF THE
CHEST.
ASTHMA AND CONSUMPTION

No other diseases sweep away so many thousands as **ASTHMA** and **CONSUMPTION**, and not because of any want of means of checking them, on their first approach if those attacked would use proper care. Unfortunately, these are neglected, and recourse is not had until the disease is firmly established in the Lungs, from whence (until lately) Physicians have not discovered any means of dislodging it. Professor Penedo's Syrup supplies a now that **DESIDERATUM**, or affluence, as the rapidly extending line of this Preparation testifies it.

COLDS, PAIN IN THE CHEST, SHORTNESS OF BREATH, PHLEGM, AND INFLUENZA.

A difficulty of breathing, or a sense of tightness or pain in the CHEST after exertion, a cold, or an expectation of one of phlegm, however slight at first, will surely prove the germ from which one or other fatal disease will take their rise if not early removed, in such cases **PENEDO'S VEGETABLE SYRUP** must be taken three times a day, as directed, or oftener, according to the urgency of the symptoms, and this will be found sufficient for the cure of all recent affections of the Lungs.

CROUPS.

This severe and most dangerous disease very frequently becomes most troublesome, which, if not ending in Consumption or Asthma, proves most distressing to the patient.

PENEDO'S VEGETABLE SYRUP should be taken until it is entirely removed, and it will speedily do it taken regularly.

WEAKNESS OF THE VOICE AND HOARSENESS.

In all cases where the disease has occurred suddenly from Colds, exertion of the Voice, &c., **PENEDO'S VEGETABLE SYRUP** has been most successful in effecting a radical cure, in cases with which have often been afflicted.

PENEDO'S VEGETABLE SYRUP is of the highest utility in all diseases of the Chest and Lungs. This fact is proved by the many testimonials handed to the Proprietor by men of acknowledged ability and reputation.

The following certificate is one of many that have been received by the Proprietor:—

Rio Janeiro, May 1, 1862.

Professor Penedo.

Dear Sir,

I feel bound to acknowledge the marvellous results effected by the Syrup, called "VEGETABLE DE PENEDO," in the Province of Rio Grande, and in my opinion, is the most valuable medicine in all cases of Pulmonic Affections on Diseases of the Chest, many of my patients, who have had occasion to use your Specific for these complaints have told me that they invariably derived the greatest benefit.
